Manager's Comments

What went well

Amarachi,

You have been getting on well here since you started which is great to see.

You always come in happy to work and with a good attitude.

You try and follow procedures and guidelines to a good standard.

You treat staff and customers with respect and courtesy.

Keep up the good work

It would be even better if....

Amarachi,

During the quit times i would like to see you trying to keep busy with extra jobs, cleaning stations, stocking up for examples.

I have also spoke to you already about making sure that you always keep to working time regulations as there have been several instances where this has been broken.

Crew Member's Comments

I'm happy with my job here at McDonald it's been great and all

Crew Member's Feedback
